## Operation Grotto Letter to residents

🎄 **Operation Grotto** is TVP South Buck's crime initiative to target the habitual rise in burglaries that typically occurs over the festive period, this will continue to run until the New Year.

Our policing teams have been working together to conduct an increased number of overt patrols throughout November and December, focusing on identified high risk areas for residential burglary and increasing their visible presence on the streets accordingly. In addition, investigation teams have been utilising enhanced intelligence gathering methods to identify suspects and see more Christmas time offenders arrested.

**Attached is a letter from Inspector Ellis with some in depth burglary prevention advice and information regarding the current trends we are witnessing from burglary reports and intelligence. Officers have already been distributing this letter via hand on their patrols, but we would like all residents across South Buck's to have the opportunity to read.**

We hope you all have a very happy and safe Christmas and New Year 🧑🏻🎅
